MASH TIPS

IMBOLDN

BICYCLE GUIDER

NON-PROFIT ORGANIZATION COOPERATION

Adventure Cycling Association:

- the largest cycling membership organization in North America
- with more than 53,000 members
- founded in 1973

Los Angeles County Bicycle Coalition (LACBC):

- the only nonprofit, membership-based organization working exclusively for the millions of bicyclists in LA County
- works to make all communities in LA County healthy, safe, & fun places to ride a bike
- founded in 1998

CALBIKE:

- prioritize underserved communities in transportation spending and policy decisions
- improve the built environment for biking, walking and transit
- change our transportation policies to support an equitable, environmentally sustainable, and safe future
- strengthen the power of the transportation justice movement

Himiway Bike has committed to cooperating with various nonprofit cycling associations like LACBC and Adventure Cycling Association to inspire and empower people to travel by bicycles, aiming to help people discover the world and experience the fullness of life through bicycle adventures.
